

Sheryl Lee Miller

A Life to Be Celebrated
January 28, 1947 – April 25, 2023

Sheryl grew up in the Lino Lakes/Forest Lake area of Minnesota. She graduated from Forest Lake High School in 1965, and then from Hamline University in 1969. There, she met Robert Schilling from Madison, Wisconsin, and they were married in 1972. Sheryl went on to receive her MSW from Columbia University in 1989. Her early work was in youth programs, and her later career was in corporate philanthropy and non-profit development.

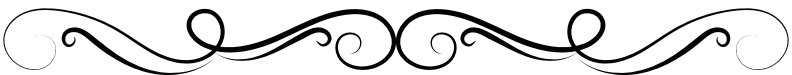

Sheryl and Rob lived in Seattle, New York City and Malibu. They also spent time in Spain and China as well as many days on Lopez Island in Washington State. Sheryl loved to travel most anywhere, but she was never more excited than when anticipating a visit with her family and friends in the Twin Cities.

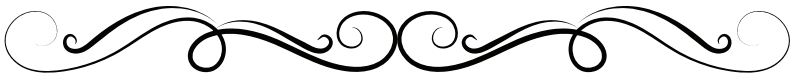

Along with her husband Rob, Sheryl is survived by siblings, Brad (Marge) Miller and Kim (Ron) Lange, sisters-in-law Fredericka Schilling (Bonita) Anne Schilling (Ken) brother-in-law, Rick Schilling (Rose) and many nieces and nephews across generations.

She is preceded in death by parents Floyd and June Miller, lifelong residents of Lino Lakes; father-in-law and mother-in-law, Robert and Mariam Schilling, of Madison, WI, and sister-in-law Carla Hansen-DiBello of Providence, RI.

Sheryl had a loving nature, palpable kindness, beautiful smile, distinctive laugh, and a focus on others.
